

Leadership WA Scholarships

An opportunity to grow Western Australia's leaders

Leadership WA is an independent, not-for-profit organisation that brings together leaders from the corporate, not-for-profit and government sectors in a collaborative environment to inspire and enhance exemplary leadership. Since we began our work in 2004, our vision has been to create courageous leaders for WA with a leadership philosophy and practice that goes beyond personal and professional development. Leadership WA's key objective is to build stronger

communities through leadership development Programs and Courses, as well as social impact initiatives, far beyond the Program experience. Leadership WA's Alumni contribute thousands of hours in pro-bono strategic advice and support to not-for-profit and community entities and projects across Western Australia, with an estimated value of over \$4 million.

Your choice to sponsor a scholarship will create opportunities for potential participants of our Leadership Programs to not only develop their own courageous, powerful, and authentic leadership but support them to make tomorrow better.

Setting up a leadership scholarship can be a meaningful way to give to your community and support your corporate social responsibility goals.

Leadership WA Foundation Scholarships

The Leadership WA Foundation Scholarship Program is designed to allow more individuals to participate in Leadership WA's leadership development Programs and therefore have greater capacity and impact in their organisations and throughout their communities. Scholarships are made available to suitable leaders from not-for-profit and community organisations or to leaders working in an identified sector or representing a key community stakeholder group.

With a tax-deductible* donation to the Foundation you will be recognised as a Leadership WA Scholarship Donor or may even wish to take the opportunity to co-brand a Specialist Scholarship, for example "The Company X Signature Program Scholarship for Aboriginal Leaders".

Why sponsor a scholarship?

- You will directly support a participant with the opportunity to learn, grow and develop into a powerful future leader.
- You will demonstrate your commitment to empowering people who are committed to making an impact on WA in their industry or their community
- You will connect your corporate or personal brand to the development of passionate advocates who wish to contribute their expertise and time to social impact activities across WA.

Your choices to support

- Open: you donate funds for a full or partial place for a suitable candidate in one of Leadership WA's leadership development Programs or Courses as decided by Leadership WA.
- Specified: you specify the Program or Course for which you would like to provide a scholarship. The funds provided cover a full scholarship for the program specified.
- Specialist: you specify additional selection criteria which align with your corporate social responsibility goals or the sector you wish to support.

As an example, CBH Group and the Grower Group Alliance currently provides two "Growing Leaders Scholarships" each year:

"CBH offers WA grain growers the opportunity to undertake Leadership WA scholarships as part of CBH's commitment to building capacity and skills within regional communities. We are proud to be partnering with Leadership WA in fostering leadership growth in our regions and ensuring we have strong future leaders for our communities and industry."

Brianna Peake, CBH General Manager Grower and External Relations

Investment options

current as of 2021

- Donation (one full scholarship) Signature Leadership Program: \$15,000
- Donation (one full scholarship) Rising Leadership Program: \$7,810
- Donation (one full scholarship) Aspiring Leadership Course: \$3,520

As a sponsor, we can connect you with your annual scholarship winner to share your dedication to support Western Australia's leaders.
